Dear Ms. Mitchell,

I am sorry that we have been playing telephone tag for several days now. I had wanted to introduce myself other than by voicemail and speak briefly with you about the attached letter before sending it to you. I had also tried several times to contact Karyn Wendelowski and, through my staff, she referred me to you. Upon your receipt of this letter, I hope that you and/or Karyn will give me a call.

Thank you for your attention to this matter. I look forward to hearing from you.
